

YOUR BUSINESS NEEDS TO PROVIDE A RETIREMENT PLAN

MODESTO IN-PERSON WORKSHOP

CalSavers, What Is It and Whom Does It Affect?

CalSavers is California's new retirement savings program that will offer millions of workers in California the opportunity to get on track for the future.

CalSavers is available to California workers whose employers don't offer a workplace retirement plan, self-employed individuals, and others who want to save extra. Savers contribute to an Individual Retirement Account (IRA) that belongs to them. Employers that don't offer their own plan will register for CalSavers by their deadline and facilitate their employees' access to the Program.

Join us for this **FREE** workshop led by Michael Faircloth from Raymond James to learn about qualified retirement plans through CalSavers.

Workshop takes place at **1625 I St. Modesto, CA**

Thursday, March 3RD @ 6 PM
